- b) In case if tenderer quotes for more than one Complex, he has to provide separate EMD for each Complex.
- c) Tenders received without EMD and after stipulated time shall not be considered.
- d) EMD shall be refunded to un-successful tenderers after award of Work Order to successful tenderer and the Contractor shall not claim any interest on the EMD.

10. PERFORMANCE SECURITY DEPOSIT: -

- a) The EMD amount deposited as per the rates fixed to the complexes i.e. Rs.4,00,000/-/8,00,000/-/12,00,000/- of successful tenderers shall be converted as Performance Security Deposit. The Performance Security Deposit (PSD) shall remain with Tobacco Board till the satisfactory completion of contract and the Contractor shall not claim any interest on PSD.
 - b) The Security Deposit deducted @ 5% from the contractor's bill while making payment shall be available at auction platform account and shall be refunded by the Tobacco Board only after successful and satisfactory completion of handling of tobacco and obtaining the clearance certificate from the concerned Auction Superintendent. The said amount will not carry any Interest.
11. The successful tenderer shall have to execute Contract Agreement for taking up the work with the Board on Rs.200/- (Rupees two hundred only) or more on non-judicial stamp paper which will be informed while executing the agreement with Tobacco Board on the date specified for this purpose by the Board. Each page shall be signed by the concerned contractor as a token of acceptance and commitment. This agreement shall be in force till the completion of auction season in all respects as notified by the Tobacco Board.
12. Notwithstanding anything to the contrary in this Agreement either party shall not be liable to the other party on account of any failure or delay by any party due to strikes, riots, storms, fire, war, act of God or other cause which are beyond the reasonable control of party and directly affecting performance of the obligation of the said party under this Agreement. The party claiming an event of force majeure shall promptly notify in writing the other party.
13. The successful tenderers have to obtain the license required under the Contract Labour Act from the Assistant Labour Commissioner (Central) and copy of the Labour Contract registered license shall be produced within 15 days of tender awarded. In case the successful tenderer has applied for license, an undertaking to that effect along with proof of submission of application should be submitted by him. If the contractor fails to submit within 15 days, it will be treated as breach of contract and preceded accordingly.
14. It has to be ensured by the successful tenderer that a minimum 35 labourers are present on auction platform for an average of 950 bales to be handled and they have to increase the number upto 45 in proportion to bales received after getting prior notice from Auction Superintendent.

Signature of the tenderer

15. The Successful tenderer shall note that the Mutta Labour Contract for the 2023-24 Auction season is awarded one each to one Auction complex i.e.1 contract for H.D.Kote (1 APF), 1 contract for Hunsur (all 3 APFs), 1 contract for Chilkunda (1 APF), 1 contract for Periyapatna (all 3 APFs) and 1 contract for Ramanathapura (all 2 APFs). Therefore all the Auction Superintendents of that complex Auction Platform will monitor and supervise the Mutta Labour operations in their respective Auction platforms and the Mutta Labour Contractor has to co-operate and obey the orders of all the Auction Superintendents of the respective Auction Platforms in the complex pertaining to Mutta Labour operations, failing which action will be initiated as per the penalty clause.
16. The successful tenderer shall be provided with trolleys for loading and unloading of bales and on completion of the auctions, the trolleys shall be handed over to the Auction Superintendent in good condition and without any damage. The contractor is responsible to make good any loss or damage caused by the labourers engaged by him to the property, materials or any other assets belonging to the Board.
17. Principal Employer is not liable for any damage/loss/compensation to workmen. Contractor should arrange this from his own cost.
18. The Tobacco Board will not provide any kind of building or premises for the stay of labourers during the period of contract and the Successful Tenderer has to make their own arrangements.
19. **RESPONSIBILITIES OF SUCCESSFUL TENDERER: -**
 - a) The successful tenderer shall have no right to demand revision or the rate agreed upon during the period, this agreement remains in force and any request for revision if made shall be summarily rejected.
 - b) The contractor or his authorized responsible representative, whose name and contact number should be given to the Auction Superintendent, must be present on the auction platform every day during the period of operations and ensure that the handling operations are done efficiently by his labourers and also ensure that spillage from bales are kept to the bare minimum possible.
 - c) The successful tenderer shall provide required labourers up to the end of auctions of that platform. If there is administrative requirement of offering tobacco of other platforms in that platform, the contractor should supply the labourers as per the requirement of Auction Superintendent. In case the contractor does not provide the required number of labourers, the Competent Authority may take a decision to forfeit the Performance Security Deposit available at Auction Platform.
 - d) The successful tenderer should ensure commencement of operations at the time specified by the Auction Superintendent by bringing his labourers punctually at least half an hour before the schedule time. Failure to do so shall entail imposition of penalties specified in the preceding paragraphs.
 - e) It is agreed between the parties that all the labourers engaged by the successful tenderer shall be the labourers of the successful tenderer and not the employee of the Tobacco Board. The successful tenderer alone shall be liable and responsible for the behavior of such labourers engaged by him.

Signature of the tenderer

- f) The successful tenderer shall indemnify the Tobacco Board against any or all claims arising out of any act of omission on the part of such contractor or labour employed by him. Such indemnity shall cover accident, injury or other harm suffered by or caused by such labourer in the course of the contract period.
- g) The successful tenderer should ensure payment of wages as per the Minimum Wages Act fixed by Government of India, Ministry of labour & Employment from time to time and maintain payment register at the concerned auction platform. In case of his failure to comply with Minimum Wages Act, any penalty imposed on the Contractor by Labour Commissioner shall not be passed on to Tobacco Board.
- h) The successful tenderer shall provide two women labourers for cleaning at Reception Hall, Floor and Godown every day after removal of auctioned bales and the wages for the said 2 labourers shall borne by the Labour contractor himself and any deviation or failing which the wages amount will be deducted from the Contractor's bill.
- i) Children (male or female) below the age of 18 years and disabled / mentally retarded persons shall not be engaged by the contractor for this work.
- j) All the persons included in each team shall be produced before the Auction Superintendent for verification at least two days before commencement of the auction and they must be physically fit to handle the tobacco bales.
- k) After conclusion of auctions on each day, all the bales at the auction floor shall have to be re-weighed for the purpose of checking the weighment. For this purpose, the contractor shall also make available the required number of labourers.
- l) The successful tenderer is responsible to make good any loss or damage caused by the labourer's engaged by him to the property, materials or any other assets belonging to the Board.
- m) The successful tenderer should arrange for minimum loading of 8,000 kgs to 10,000 kgs tobacco depending upon capacity of the lorry. The labourers for loading should be arranged at the direction of Auction Superintendent.
- n) The successful tenderer shall be present throughout the day during auctions and supervise the labourers especially weighment both at auction hall and at the time of loading point.
- o) The successful tenderer has to bear himself, the cost of any disputes.
- p) The successful tenderer shall be responsible for any thefts by labourers or missing of tobacco and negligence caused by labourers in any operation, for any loss of weight in the bales during transportation from Auction Hall to Godown and in loading to lorries/trucks.
- q) The successful tenderer shall attend the Floor Committee Meetings as and when called for and ensure corrective measures that are pointed out by the committee members from time to time.

Signature of the tenderer

- r) The successful tenderer has to take up 100% re-weighment bales at floor and godown. The contractor has to take up check-weighment of bales and re-stacking the bales as and when it is warranted.
- s) The successful tenderer shall not be liable on any account what so ever for failure of labour contract on account of force majeure condition.
- t) The successful tenderers should be ready to work at the platform complex for which he has quoted.
- u) The successful tenderer shall be solely responsible to follow all applicable laws, rules notification, etc., of the Central and State Government Municipality or Local body while engaging the labourers for Tobacco Board's works. All the liability shall be to the contractors account.
- v) The Mutta labour contractor shall submit the attendance register to the concerned Auction Superintendent for number of labourers engaged by him on daily basis for due verification and also during the bill payment.
- a) Labourers should be provided with uniform of Over Coat (Red) by the successful contractor.

20. **PAYMENT: -**

- a) The successful tenderer has to submit attendance extract duly signed by the Auction Superintendent, Assistant Manager (Accounts), Field Officer and Mutta Labour Contractor or Supervisor authorized by him along with fortnight bill without which fortnight bill payment shall not be released. The Mutta labour contractor shall produce the receipt obtained from all their Mutta labourers engaged as a proof of payment along with the bill to the Accounts Section. The Attendance register should always be kept in the office of the Auction Superintendent and made available when called for by the Senior Officers during inspection
- b) The rate approved by the Tobacco Board on per quintal basis only will be paid for the quantity marketed in auctions and whereas 50% of the approved rate will be paid for the quantity rejected in auctions.
- c) At the time of fortnightly payment to the Contractor, 5% of the amount shall be deducted towards additional Security Deposit from the bill. The total amount so deducted shall be refunded to the Contractor only after successful and satisfactory completion of auction season. The said amount will not carry any interest.
- d) Labour Contractor should ensure that the trolleys are handled properly by his Mutta Labourers with no/minimum breakage.
- e) Each Mutta Labourer should ensure that the trolleys are handled properly with minimum breakage.

Signature of the tenderer

21. PENALTY: -

- a) Failure to produce required number of labour force could attract penalty of 5% deduction out of the bill for the fortnightly by the Auction Superintendent or penalties up to 1% EMD/PSD may be imposed on contractor based on the decision of the competent authority.
- b) The successful tenderer should so arrange his labourers that there is no room for any complaint from the growers, buyers or the staff members in the auction platform in respect of weight loss or mishandling of tobacco. In case of repeated complaints, Tobacco Board may impose penalty to the extent of value loss.
- c) The successful tenderer shall be liable for penalty which may be decided by the Executive Director, Tobacco Board in case of reported losses caused to Board, growers and buyers due to failure of the contractor to provide adequate labourers from field level authorities.
- d) Auctions shall normally start from 5.30AM. The Contractor shall supply labourers as per the requirement of the Auction Superintendent and the entire day's operation shall be completed by 6.00PM positively after deployment of labourers for different operations. The deployment pattern shall be decided by the Auction Superintendent and contractor should abide by the decision of the Auction Superintendent. Delay of any activity beyond 6.00PM shall be seriously viewed by the management and penalty upto forfeiture of Security Deposit held by the Auction Superintendent may be imposed on the contractor based on the decision of the Competent Authority.
- e) The successful tenderer shall take care of any untoward incident to the labourers working under him, accidents if any or damages he would pay compensations to such labourers on his own or Tobacco Board may make such payment out of 5% deduction or from the PSD of the contractor.

22. DEMURRAGE CHARGES LEVIED TO TRADERS: -

Demurrage charges levied by Tobacco Board, if denied by buyers on account of delay of loading bales in their lorries due to shortage / wrong deployment of Mutta Labourers by the contractor shall be passed on to the contractor. In that case, decision of the Auction Superintendent shall be final and binding.

23. TERMINATION OF CONTRACT : -

- a) In case the successful tenderer fails to fulfill his contract to the satisfaction of the Executive Director, Tobacco Board or contravenes any of the provisions contained in this terms and conditions, his contract shall be terminated and his PSD shall stand forfeited.
