10. The rejected bales (Viz) No sale bales, no bid bales C.R bales and R.R bales pertaining to the growers shall be tied and loaded in to the growers/ trucks/carts.
11. While unloading the bales from the trucks/carts and while delivering the unsold bales, the labour contractor shall not demand any charges from farmers. Any violation of this will be a serious offence resulting in cancellation of the contract.

Contd..2

12. While loading purchased bales into the trucks, the contractor shall not demand for any extra charges from companies. Violation of this will be a serious offence resulting cancellation of the contract.
13. The Tenders received after the due date or time or without the prescribed security deposit and conditional tenders will not be considered.
14. The contractor should ensure that a minimum of 15 labourers are present at the auction platform up to an average of 300 bales to be handled and they have to increase the number in proportion to bales received (for example 35 members have to be engaged for 850 bales). The labourers employed shall be divided into two batches i.e. one batch for floor operations and the other for loading of purchased bales. There must be clear cut demarcation of these duties and shall be strictly enforced.
15. Children, women and disabled persons shall not be engaged by the contractors. All the persons included in each team shall be produced before the Auction Superintendent before commencement of auctions for verification.
16. The successful tenderer has to commence the work from the date of commencement of auctions under the guidance of Auction Superintendent.
17. The successful tenderer has to obtain necessary licence required under contract labour Act from the Asst. Labour Commissioner (Central) concerned and shall produce a copy of the same to Tobacco Board within a week after the contract is awarded and before commencement of auctions which ever is earlier failing which the contract is liable for cancellation.
18. **The successful tenderer shall comply with all contract labour laws, rules/regulations in force relating to the work undertaken as contractor of the Board.**
19. The Tobacco Board reserves the right to impose any penalty for unsatisfactory and/or delayed execution of handling work commensurate with the excess/ unavoidable expenditure incurred by the Board.
20. The contractor should arrange and organize his workers in such a manner that there will be no room for any complaint for valid reason from the growers, buyers or the Board officials in the auction platform.
21. The contractor shall ensure that the labourers comply with all norms and time schedules etc., relating to loading of tobacco, weighing of tobacco, minimum tonnage to be loaded into the buyers lorries etc., as directed by Auction Superintendent from time to time.
22. It shall be ensured by the contractor or his authorized representative (who shall be present on platform every day) that the tobacco bales are handled carefully and without any loss of tobacco. It shall also be ensured that material like Bengal twine etc., will be properly used without any wastage and as per norms indicated by the Auction Superintendent.
23. The contractor is responsible to make good any loss or damage caused by the labourers engaged by him to the work, property, materials or any other assets belonging to the Board.
24. **The labour contractor should ensure payment of wages as per the minimum wages fixed by Govt. of India for the workers engaged/ employed by him. The present rate of minimum wages payable to workers is Rs. 373/- per day per labourer and the same will be subjected to revision from time to time.**
25. The labour contractor is required to furnish the list of the labourers employed by him and the labourers should have sufficient experience in handling tobacco.

26. The Board further reserves the right to make any modification in the above conditions as and when necessary.
27. The Board reserves the right to award the contract work at any of the auction platforms in spite of the tenderers' application for a specific auction platform.
28. The labour contractor should provide first Aid box at the work spot.
29. The contractor shall ensure to maintain dress code by the labour attending the work with **Red colored over coat**. The cost shall be borne by the contractor.
