7. The contract will be awarded to the qualified and technically suitable tenderer offering the lowest evaluated tender in conformity with the requirements of specifications. Acceptance of the tender by the Tobacco Board shall be communicated to the successful tenderer by a formal letter of acceptance (LOA).

SCOPE OF SERVICES

1. **Facilities management Services** at Head Office, Guntur – The tenderer shall provide exclusively one resident engineer for Board's Head Quarters in Guntur. They shall be available on all working days during office hours to attend the Board's systems available in Head Quarters. They shall be well experienced in hardware problems related to desktop computers, servers, dot matrix, laser printers etc. and also in software installation, operating systems viz. Open Office, Windows XP Professional, Windows 2000 server or above, Linux, Unix administration, networking problems viz. configuring wired/wireless routers, access points, managed/un-managed switches etc. The testimonials and experience certificates of such personnel shall be produced along with tender.

2. The contract will be for a period of one year from the date of signing the agreement/date of award letter on comprehensive basis for providing all services on site including all spares and replacement of defective parts. The contractor should always be in a position to replace defective parts of all brands of Servers, PCs, and Printers without any delay.
3. As far as possible, the repairs would be carried out onsite itself. The contractor will have to provide stand by machine of the same configuration or higher, if it is absolutely necessary to take the defective machine for repair to its service center.
4. The department will provide consumable items such as printer ribbons, toners / image transfer kit / image drum for laser-jet printers, inkjet cartridges. All other spares shall be replaced free of cost as and when necessary by the AMC contractor.
5. All computer/printer components will come under the purview of the contract. This will include:
 - a. Processor (CPU)
 - b. Motherboards & SMPS Units
 - c. Main memory (RAM)
 - d. Storage devices, i.e. Hard Disk Drives, DVD/CD-ROM/RW Drives.
 - e. Keyboards, mouse
 - f. LED Monitors.
 - g. All parts of printers including printer heads, plastic parts like sprockets, knobs, ribbon masks etc. Teflon sheets, fuser assembly etc. shall also be replaced for laser mono/color printers.
6. The firm shall prepare a separate **log books for each of the machines** to be taken under the AMC and Preventive maintenance from outside and inside will be carried out on **quarterly basis**. The preventive maintenance would include quarterly servicing of the equipment irrespective of whether the equipment has suffered a breakdown or not and it would include checking of all the peripherals installed with PC for proper operation, servicing and cleaning of machines and printers and cleaning of floppy drivers and checking of head alignment. A preventive maintenance report signed by the user would be submitted in the prescribed format by the vendor to the Secretary, Tobacco Board, Head Office, Guntur by 15th of the month following end of each quarter.
7. The system down time should not exceed 48 hours from the time at which the complaint was made. If the down time is more than 48 hours, the contractor will provide a stand by system. In case the system is not repaired or an alternative system not supplied within the period of 48 hours from the time of failure report then the Board may choose to get the same repaired by or replaced from any other agency and the cost and expenditure incurred therein shall be recoverable from the second party.

TERMS & CONDITIONS OF THE CONTRACT

1. No advance payment in any case would be made. Payment will be made **on quarterly basis** only after completion of service for the quarter and after successful completion of preventive maintenance.

2. It may also be noted that in case of contractor backing out during the contract period without any explicit consent of the department, he will be liable to forfeiture of EMD amount.
3. The Contractor shall not enter into a sub-contract with any other person(s)/firms(s) or to transfer the contract or any benefit thereunder to any person(s) or firm(s).
4. The Contractor shall get the maintenance of the equipments, including the cleaning thereof, done by his maintenance staff solely at his own risk. The Board shall not, in any way, be liable to make any payment, incur any expenditure or face any law suit in any court of law for any injury or death suffered by the contractor's maintenance staff during the course of maintenance under the AMC.
5. The Contractor shall be required to hand over all the equipments in working condition at the time of termination of the contract, otherwise the equipment, found faulty, shall be rectified from any external agencies and whole replacement/repair cost will be borne by the contractor only.
6. Except GST, no claim on account of VAT/sales tax or any other taxes and duties for the material used for execution of the work, will be entertained by the department and all such taxes and duties shall be borne by the contractor himself. The Service Tax as per the Government rates will be paid on AMC charges.
7. The department reserves the right to add any equipment (Computer system, and/or associated peripheral) for AMC during the period of contract at the same terms and conditions of the contract. Similarly, any of the equipment included in the contract can be withdrawn from AMC. Payment of bills will be made after adjusting for addition/withdrawal of such equipment on pro-rata basis.
8. The Chairman, Tobacco Board reserves the right to cancel the tender either partially or fully without assigning any reasons. The Annual Maintenance Contract (AMC) contract may be terminated at any time by giving one-month notice, if the services are not satisfactory and EMD will be forfeited.
9. The department reserves the right to cancel the contract in case of breach of security regulations required to be observed by the contractor. The contractor shall observe all security measures as are applicable to the department, which is under the security cover of the Ministry of Home Affairs. Any special precautions required to be observed by the contractor shall be made known to him by the department from time to time.
10. The contract will be initially for a period of one year. The department, however, reserves the right to extend the term of the contract for further period (maximum two years) on the same terms and conditions with mutual consent.
11. At the time of expiry of contract all the equipments under maintenance shall be handed over in working condition so that handing over of AMC to next contractor takes place in a smoother manner.
12. The firm shall provide services for 15 working days from the date of expiry of the contract for smooth transfer of the AMC to the new contractor without any extra cost. In this connection, any equipment which is noted as in non-working condition till the last hour of the AMC contract period should be rectified by the outgoing AMC Contractor without any extra cost to the department.
