

## EXENSION AND ADVISORY SERVICES

The Tobacco Board serves the FCV Tobacco farmers by timely supply of crop inputs, and providing technical/extension services using wide network of qualified and trained technical field staff.

The Tobacco Board provides subsidy to all category growers covering small/marginal farmers through supply of critical inputs and provides extension services by imparting training to the farmers from seed bed preparation to harvesting of crop.

The details of schemes implemented during 2018-19 crop season are as follows:
